

Celebrating Our 2024 Rising Stars!

Welcome to arguably the most popular issue of *Today's CPA*. It is an honor to spotlight and celebrate the talents and achievements of our 2024 Rising Star Award winners. We had the opportunity to recognize these young CPAs at our Annual Meeting of Members in Frisco in June and I know you'll be impressed by each of them as you read more in this issue's cover story.

These are our future leaders, thinkers and change-makers. Their work not only enhances our success at TXCPA but also serves as inspiration for students and candidates seeking to learn more

“Their stories are a powerful reminder of the importance of nurturing talent and fostering an environment where creativity and ambition can flourish.”

about the accounting profession. Their stories are a powerful reminder of the importance of nurturing talent and fostering an environment where creativity and ambition can flourish. I would encourage you to reach out to the Rising Stars in your chapters and engage them in visits with local schools and students to share stories of their CPA journey. Personal testimony is a powerful tool to attract young minds into our profession.

Join me in extending congratulations to each of our 2024 Rising Star Award winners. We are excited to see how you will continue to excel and contribute to our profession. Thank you for being shining examples of excellence we are proud to honor today!
