

# TXCPA Protects the Value of the CPA License

TXCPA derives great power from being the state's largest association of CPAs and finance professionals. We have the influence and resources to stand watch over the requirements and value of the CPA license. It gives the profession the strongest voice at the legislature, the Texas State Board of Public Accountancy, and among educators preparing the next generation of CPAs. TXCPA is the leading advocate for CPAs in Texas.

## GOALS

- Protect CPAs from anti-licensing efforts.
- Protect CPAs and the public from unqualified practitioners.
- Ensure that qualified CPAs are appointed to serve on the Texas State Board of Public Accountancy.
- Have CPA representation on negotiations about tax and business-related legislation by maintaining good relationships with the Comptroller of Public Accounts, legislators and the governor.
- Work with legislators to increase the number of qualified candidates entering the profession.

Legislators listen to their friends and constituents. Making political contributions via the TXCPA PAC is a vital part of building relationships with legislators.

## CPA-PAC

- Member-managed. Member-driven. Member-focused political action committee.
- Seventy-five percent of CPA-PAC funds go directly to chapters for donation to their local lawmakers, while 25 percent is allocated for statewide candidates.
- Contribution decisions are based upon a candidate's position on issues important to CPAs, the level of the candidate's influence, their need for funds and incumbency.
- CPA-PAC supports candidates of both parties.
- Contributions to CPA-PAC are the fastest, simplest, most efficient way to get involved in the political process.
- Learn more and contribute online at [bit.ly/txcpapac](https://bit.ly/txcpapac).

*Donations to the CPA-PAC are not deductible as charitable contributions. Checks and credit cards made payable to the CPA-PAC are acceptable only from individuals, partnerships or professional corporations organized under the Texas Professional Corporations Act. If using a corporate check, the contribution will be used to offset CPA-PAC administrative expenses and should be made payable to TXCPA.*
