CPAs Helping Schools Grant Program

Eligibility Requirements

Funding is available to public, private and parochial campuses, with grades Pre-K through 12 eligible within the 13 membership counties.

Requests for programs in Pre-K: Teacher eligibility requirements for funding:

- 1) a Bachelor's degree
- 2) Certification in Education
- 3) Following a structured curriculum.

Financial contribution for educational programs will be considered for any school located within the **13-county membership** area of the Houston TSCPA Foundation (d/b/a Houston CPA Society). These Texas counties include Austin, Brazoria, Colorado, Fayette, Fort Bend, Galveston, Harris, Montgomery, Polk, San Jacinto, Trinity, Walker, and Waller.

Note: there is a funding limit of \$5,000 per school year per campus. This application is only for up to \$500.

Funding requests should be for the educational benefit of the students. This may include, but is not limited to, books, educational materials and equipment, supplies, and school uniforms. Other previously funded programs include technology, math labs, established reading courses, fine arts programs, after-school activities, science labs, QuickBooks Certification and much more.

- A) For technology, the committee requests adequate explanation of the specific needs and usage within the application. **The Technology Addendum must accompany the application.**
- B) Requests for funding of items that require ongoing maintenance (i.e., subscription or license renewals, equipment maintenance) should specify the school's plans to cover these future costs.

In their review of requests, the committee will consider several factors including, but not limited to:

- A) Socio-economic level of students impacted.
- B) Number of students impacted by the program.
- C) Other support of the program, both financial or resources, in consideration of fund allocation

If the planned program might benefit the accounting profession, this will also be considered.

Restrictions

Any purchases with funds provided by CPAs Helping Schools through TXCPA Houston (Houston TSCPA Foundation) **MUST** remain with the campus of record. Purchases are not transferable if an applicant relocates to another campus.

Funds will not be granted for the following items:

- A) Playground equipment
- B) Meals, snacks or food / beverage items
- C) Instructor training
- D) Funding for other grants / programs

Grant recipients should provide support that funds were used for the stated purpose. Examples include providing copies of receipts, purchase orders, photos, etc.

Thank you letters and photos of the project's ongoing progress are appreciated by TXCPA Houston. Photos should include the applicant's name, school and description of the subject. Photos of students may not be used in publication unless school acknowledges they have required documents on file. Student photos may be included in CPAs Helping Schools' display, at the discretion of the Houston CPA Society, for sponsored membership or continuing education events, or in weekly e-Bulletin or other communications to membership. School personnel have the responsibility of ensuring photo legality for publication.
