

VOLUNTEER FOR JA IN A DAY!

Make a Difference in Just One Day!

Teach students about **money, careers, and entrepreneurship**, in an interactive and fun way.

As a JA in a Day volunteer, you'll:

- Receive training and a kit with **everything you need** for the day, including games and activities
- Work with an assigned class for the day, teaching five **engaging**, Junior Achievement lessons.
- Share **real-world experiences** to bring concepts like **money management** and **entrepreneurship** to life.
- Inspire the next generation with **practical skills** and **knowledge** for their **future success**.

We're in **critical need of volunteers** to bring this impactful day to life. **Will you join us?**
